Admission Requirements	
Minimum GPA (or academic result in other scales)	A minimum GPA may be requested. Please refer to the agreement between your University and Telecom Paris. Ranking(s) requested (if available)
Language Requirement	For scientific courses in French and/or English, a minimal level of B1 skills is compulsory (but a B2 level is recommended) and should be certified by an official test (See list of accepted tests and mimimum points required below). Many 2nd year "cycle d'ingénieur" courses are taught in French. To be allowed to choose these courses, a minimal "Top" B1 "French as Foreign Language"* level is compulsory but a B2 level is recommended to feel at ease. For access to scientific courses in English, a minimum level of B2 in English** is recommended ("Top" B1 compulsory) Besides, for students following the Double Degree program, a B1 or B2 level in French (according to the language of the study tracks chosen) will be mandatory to get Telecom Paris Diploma. *The proof of the French language proficiency includes the following external certifications: TCF: 400 points; TEF: 400 points; TFI: 600 points; DELF B1(75/100) or a higher education degree obtained from a French-speaking institution (the degree has to prove that the language of instruction was French). **The proof of the English-language proficiency includes the following external certifications: First, Advanced or Proficiency Certificates from Cambridge: 160 pts, TOEFL ITP (institutional): 543 pts; TOEFL IBT (internet-based): 71 pts; TOEIC: 795 pts; IELTS: 5.5 or a higher education degree obtained from an English-speaking institution (the degree has to prove that the language of instruction was English). All tests should not be more than 2 years old (or 5 years for DELF and Cambridge exams).*
Amount of credits completed per semester	30 ECTS / semester
Degree level upon application submission	**Bachelor degree required or last year of undergraduate studies minimum or first year of Master**

Double Degree programme	4 semesters (24 months), starting in September (Year 2 and Year 3 of the engineering curriculum,"Diplôme d'ingénieur"). According to the agreement, some Double Degree students have the possibility to join the Year 1 of the engineering curriculum "Diplôme d'ingénieur".
Other Requirements / Remark(s)	- The Exchange Programme is only for students coming from a partner university of Telecom Paris and sharing an exchange programme or Erasmus agreement. - In case of an Exchange or Double Degree program, students have to be nominated by the partner university's mobility programme coordinator. - Students have to apply directly on our application platform before the deadline
